\*\* The fee is calculated from the value of assets in Administration/Evidence of investment asset on the last business day of the quarter. Charging is on a quarterly basis.

Note: UniCredit Bank has made maximum effort to estimate the value, having based itself on the prices provided by third party depositories or by other relevant data providers operating on the market. Prices provided by third parties are referred to as either market prices or their estimated values. Nominal values of the held investment instruments, or, the technical figure 0.000001 may be alternatively used in place of the price as a rule where the market value or estimated value of the held investment instrument is unavailable. If the CDCP (CDCP CZ) has included the held investment instruments in the list of issues for which no securities maintenance fee is charged, the technical figure 0.000001 must be used without exception.

While UniCredit Bank considers the sources trusted and provides information obtained from them in good faith, it is nevertheless unable to guarantee and therefore assumes no liability whatsoever for this information's up-to-date status, completeness and correctness, and hence, no liability for that information. The presented values and prices do not constitute an offer to sell or the solicitation of an offer to buy any of the above investment instruments.

The thirds parties mean namely CDCP SR, JSC., NCDP, JSC., BCPB, JSC. foreign depository, foreign custodian, foreign broker, notary, translator, etc. in case that their services are necessary to perform the activities agreed with a client.

For accounts managed in foreign currency, prices in EUR are charged (if prices in foreign currency are not published) as an equivalent recalculation according to UniCredit Bank Czech Republic and Slovakia, a.s., Branch Office of a Foreign Bank exchange rate.

The Bank reserves the right to fix the prices differently and individually from those specified in the price list.
