The additional fee for maintenance of an account for an increment in client deposits when the total amount of deposited funds in all currencies is no more than 1,75M EUR as of 31 December	Free of charge		
The additional fee for maintenance of an account for an increment in client deposits when the total amount of deposited funds in all currencies is more than 1,75M EUR as of 31 December	0,20 %*		

*The deposit balance increment fee equals the base multiplied by the fee. The base equals the difference between the total amount of client deposits as of 31 December, and average daily balance of client deposits for the period from 1 September to 30 November of the relevant year. If the base is negative, the fee equals zero. The total amount of the client deposits consists of the client's funds deposited in current, savings, term and deposit accounts, and in deposit bills in all currencies. The fee is calculated annually and can be charged from any of the customer's accounts, and is payable during January of the following year. For converting foreign currencies into EUR and conversely, UniCredit Bank Czech Republic and Slovakia, a.s., Branch of a Foreign Bank's average rate as of 31 December of the relevant year is used.

Note: UniCredit Bank has made maximum effort to estimate the value, having based itself on the prices provided by third party depositories or by other relevant data providers operating on the market. Prices provided by third parties are referred to as either market prices or their estimated values. Nominal values of the held investment instruments, or, the technical figure 0.000001 may be alternatively used in place of the price as a rule where the market value or estimated value of the held investment instrument is unavailable. If the CDCP (CDCP CZ) has included the held investment instruments in the list of issues for which no securities maintenance fee is charged, the technical figure 0.000001 must be used without exception. While UniCredit Bank considers the sources trusted and provides information obtained from them in good faith, it is nevertheless unable to guarantee and therefore assumes no liability whatsoever for this information's up-to-date status, completeness and correctness, and hence, no liability for that information. The presented values and prices do not constitute an offer to sell or the solicitation of an offer to buy any of the above investment instruments.

The thirds parties are namely CDCP SR, JSC., NCDCP, JSC., BCPB,JSC., foreign depository, foreign custodian, foreign broker, notary, translator, etc. in the case that their services are necessary to perform the activities agreed with a client.

For accounts managed in a foreign currency, prices in EUR are charged (if prices in a foreign currency are not published) as a recalculated equivalent according to the UniCredit Bank Czech Republic and Slovakia, a.s., Branch Office of a Foreign Bank exchange rate.

The Bank reserves the right to fix the prices differently from those specified in the price list, individually.
