

Sell Order

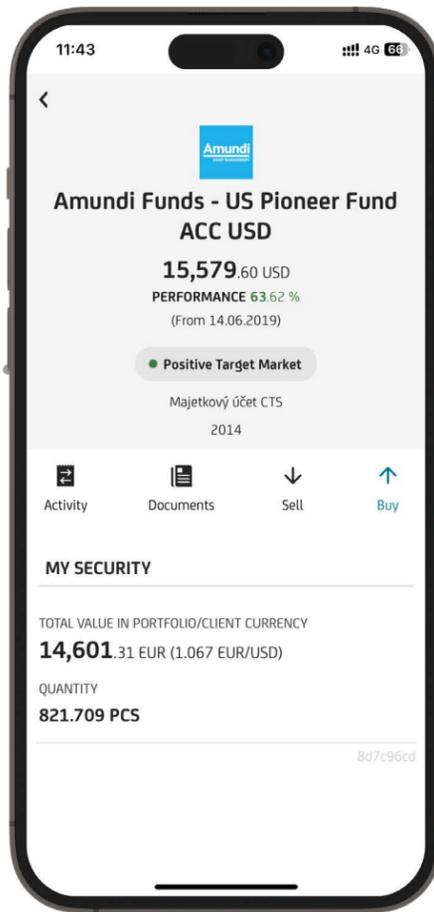

1

Select the fund to sell from the main overview.

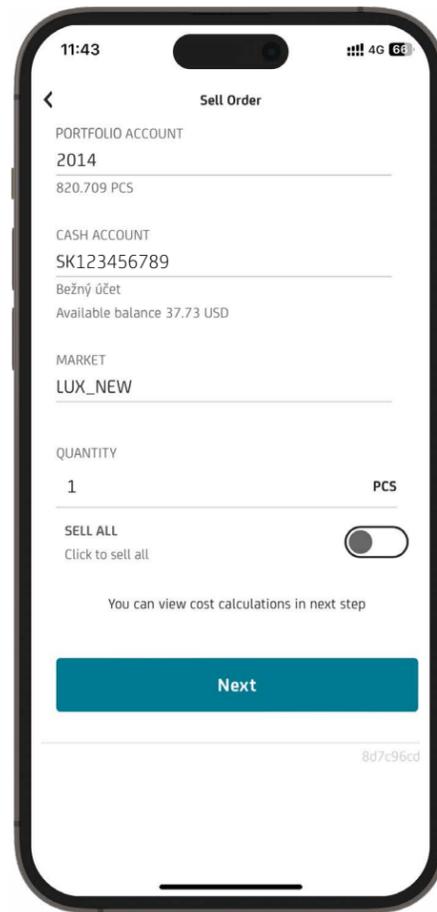

2

In the main overview, click on the Sell button.

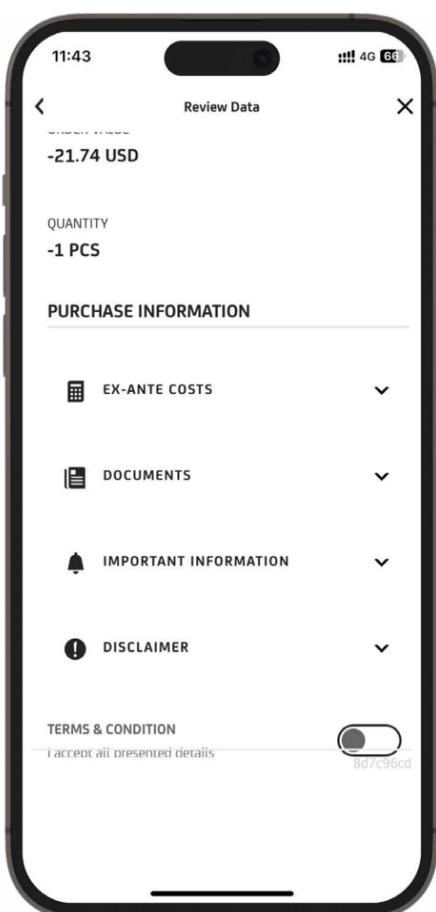

3

Enter the number of pieces to sell, or sell the whole position. Click Next.

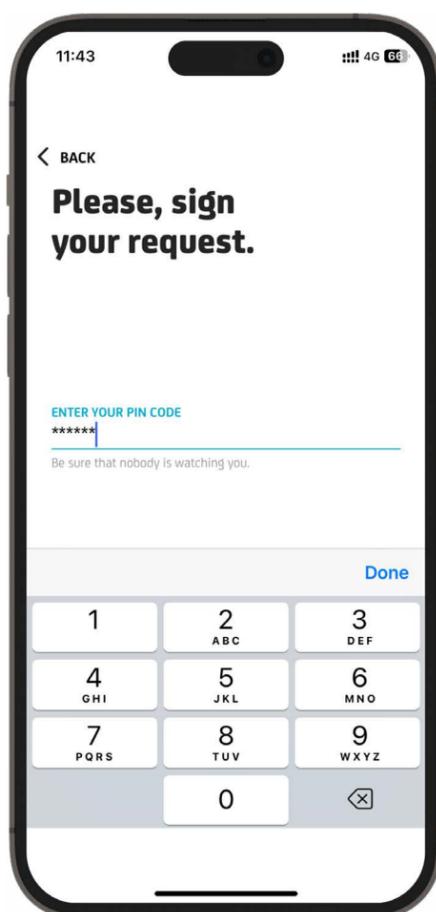

4

Within the order summary, you can see the approximate amount you will receive for the sale. Important information and documents are also included. Once you have read the documents and confirmed the Order Signature is enabled.

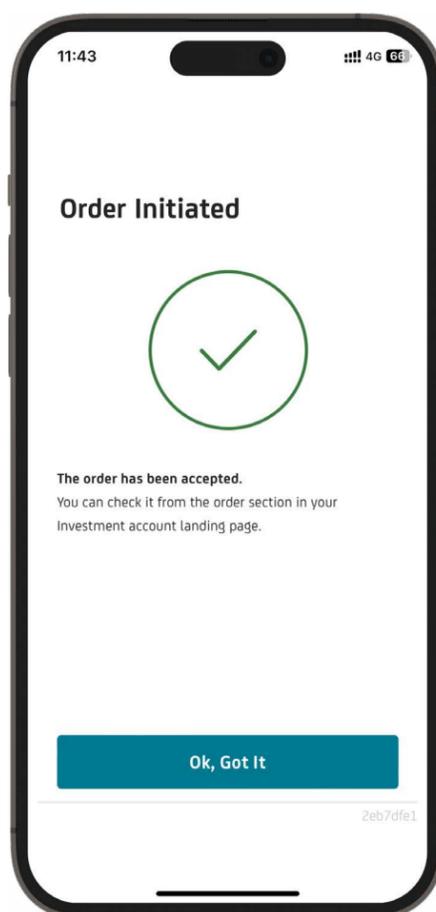

5

Sign the order using the method as instructed.

6

After a successful signature, order processing is confirmed.

7

After signing, you are redirected to Order History, where you can see the current status of the order placed.
